Directions:

Navigate to Junc 3 M6 then turn **north** onto the A444 **towards Nuneaton**. Follow signs to Nuneaton, and pass the Bermuda Park Retail Complex on your left. Continue on the A444 for approximately $\frac{3}{4}$ of a mile passing a BP garage on your right at a roundabout [go straight on]. Continue on until you pass under a yellow footbridge immediately before another roundabout, taking the first exit here. Carry on to the next mini roundabout [junction of Heath End Road and Greenmoor Road, and turn left into Heath End Road. Continue for approximately 1 mile and turn into Radnor Drive before reaching the end of Heath End Road. Turn right after 20 yards and follow Radnor Drive to the school passing through some large gates. Keep left and the Synergy Sport Centre is signposted.

If flying in, you may find it convenient to take a taxi from the Airport. Black Cabs wait outside the front of the airport and will take you to your destination for a quoted price of £36. [Price is for Nuneaton] Each taxi holds up to 5 people so you can share the cost, and these cabs are the only ones licensed to take a fare without pre-booking. More details from +44 [0]121 782 3744

There are other ways to get to the venue and you may prefer to use public transport. A journey planner is available at <http://www.transportdirect.info/TransportDirect/en/JourneyPlanning/JourneyPlannerInput.aspx> and this will calculate your journey door to door.
