As always the course will be lead by Shihan Julian Mead. It's a pleasure for us that we can also welcome Shihan Ilpo Jalamo from Finland for the first time in Germany.

The location will be in the village Rethwisch which is near to Rostock. We like to celebrate our anniversary with you and a big buffet in hotel "kiebitz" in the evening after training.

For our guests form far away we offer a free transport from Hamburg airport to Rethwisch on Friday and back on Sunday after training. Please contact me for further details.
